Bugs Timber Sale

Date: November 7, 2012

Prospective Timber Bidders

Dear Prospective Bidder:

An error in the Prospectus for the Bugs Timber Sale was discovered. A new prospectus has been prepared and is available for inspection upon request and can be found on the internet at <http://www.fs.usda.gov/land/centraloregon/landmanagement>. Follow the link to "Timber Sales."

The error was in Section 8. Specified Roads. The corrected sentence now reads: "If purchaser elects Forest Service construction, the total estimated public works construction cost that would require to be paid in addition to current contract rates is \$107,667.68."

An additional discrepancy was discovered between the appraisal and the Specified Road Schedule of Items. The final Specified Road Schedule of Items will be adjusted to \$93,460.00.

We apologize for any inconvenience that these errors have caused. Please give Contracting Officer Beckie Zimmerman a call at (541) 383-5590 if you have any questions. The auction will proceed as originally scheduled.

Initial bids for oral auction of the Bugs Timber Sale will be opened in the Deschutes National Forest Supervisor's Office, 63095 Deschutes Market Road, Bend, OR 97701 on Tuesday, November 27, 2012 at 11:00am.

Sincerely,

BECKIE G. ZIMMERMAN
Contracting Officer
